Date: September 23, 2021

Time: 5:00pm

Where: ZOOM

You will receive an email the Monday before the event with the log on instructions should you choose to attend. Please send any questions to Amanda Metz.

COVID-19 Segment

Unvaccinated Care Providers **MUST** wear a N95 mask in the client's home. Additionally, Care Providers who have been vaccinated and have been exposed to COVID-19 in the past 7 days must also wear a N95 in clients' home. N95 masks must be discarded after 2 uses and CENN will resupply you as necessary.

If you have been vaccinated, please keep a copy of your vaccination card with you at all times. Please also provide a copy of your vaccination card to CENN.

“Prepare to Protect. Preparing for disasters is protecting everyone you love.”

Client Care requirements are coded as follows:

2021 National Preparedness Month
Prepare to Protect

Client Code	Care Requirement	Action
Red	<u>Client requires daily assistance up to 24-hour continuous care</u>	The Company will make arrangements for the clients to receive care regardless of emergency conditions. If you are unable to care for your client due to emergency conditions, you must make alternative arrangements with your Supervisor or the on-call representative. You are never permitted to leave a “Code Red” client alone and must stay with your client until relief arrives. In the event that the client leaves the home, i.e.: with Family; you are required to call immediately and report to the Company.
Yellow	Client can wait 24-72 hours before receiving care	The Company will notify you if alternative arrangements have been made. CENN will be there in 24-72 hours as needed.
Green	Client can wait more than one day before receiving care	The Company may make alternative arrangements for these clients during emergency situations.
