

EMPLOYEE OF THE MONTH SALINA WILLIS, PCA

Who has influenced your work ethic the most?

"My mother worked hard to provide a good home. She was compassionate and devoted, teaching us how to care for ourselves well so we could care for others well."

What drives you to work hard?

"My children and husband, as well as the feeling of accomplishing something is fulfilling to me."

Why did you choose home care as a career path?

"I started this career when I was 18 with no deep reason behind it. As the years went on, I realized it was more than a job; it was a calling. I just love to help others."

Salina has been with CENN for over 3 years and was recently awarded with the PULSE Award for exhibiting unparalleled Consistency & Diligence.
