Robin Gupton
Operations Support Specialist

May Employee of the Month

Robin has been with Companion for a combined 3 years. Robin recently has taken the role of Operations Support Specialist and will be handling all Human Resources items. Robin and her husband have 5 kids and a 7 month old grand baby. Outside of work Robin enjoys being artistic and she loves coordinating events. When asked who inspires her or has inspired her in her endeavors, she attributes her inspiration to her husband, her Aunt Mary, and her Mimi. A word of advice the Robin would offer is, "Don't stress the things that are little and take things day by day." Robin loves to travel and has been to Africa and Ethiopia and several states- she even got lost in the jungle! If you have a chance, ask her about it. Within the company, she looks up to both Dawn and Denise. She admires Dawn because of her dedication to the company and for leading the company for the past twenty years. She admires Denise because she is a hard worker and she cares about others deeply. Robin is here for everyone on our team and wants everyone to know that she is always available and wants to help in any way she can.

Benefits Spotlight

Each month we want to make sure that our team is aware of the benefits we offer to each of you!

Each of you are EXTRAORDINARY caregivers and we love to build are team by you sending us the EXTRAORDINARY people you know! We have two employees that have both recently referred employees to us and we are so thankful and excited! As an additional incentive, Companion offers a monetary bonus for referrals once they hit their 90 day mark and are in good standing.

Amanda's getting Married!

As of May 15th Amanda will be transitioning to PRN in the office as she goes into this new season! We are so thankful for all she has done the past decade and we wish her great success and happiness in this next season of marriage!

Acts of Kindness

May is foster care awareness month. Our team worked with an organization Worthdays to celebrate a teens 15th birthday. Worthdays helps foster care teens have a nice birthday and ensures that their gifts come packed in luggage, as unfortunately, foster care kids move around a lot and their belongings are typically transported in trash bags. We all enjoyed shopping for our teen girl. She wanted a denim jacket so she got three! She also got pants, a top, manicure kits, hair accessories, socks, a gift card to H&M, a rolling duffel bag and other cute toiletries. Nancy is pictured with all the gifts and goodies and we dropped them off neatly packed in the duffel with a giant birthday card! This act really touched our hearts.
